

'It's a Catastrophe!' mini-conference breakfast

Tuesday, 24th September, 8am - 11am Ufford Park Woodbridge "It's a Catastrophe!"

You always think it can't happen to you ... but it can! And the size of your business is irrelevant. If you are a small or micro business, a sudden crisis could ruin you.

What can you do to protect your business from catastrophes? Articulate HLC and Suffolk FSB have put together a panel of legal and insurance experts to lead the discussion and answer your questions.

Speakers and topics on the agenda for this mini-conference are:

Crisis Support - Chris Marsh, Andrew Thompson & Associates

Key Person - Grant Buchanan, Scrutton Bland

Powers of Atty - Jackamans Carol Lockett

The Right Will - Steve Wilkes, Silver Lining Estate Planning

To keep your brains ticking over, they must be fed; and Ufford Park Woodbridge will feed you well.

We do hope you can join us. £18pp
