**THE EAST ANGLIA SMALL BUSINESS TRADE FAIR** is an exciting new event, bringing together a wide range of small businesses, entrepreneurs and established companies from across the region.

It is an excellent opportunity for local businesses to promote themselves, whilst providing the perfect, secluded and tranquil setting for networking with other like-minded people.

With essential **workshops in marketing, social media networking and PR** and with expert guest speakers, it really is a day not to be missed – whether as a delegate or exhibitor.

Network with other exhibitors, meet other suppliers and showcase yourself to new customers. Build your business profile and directly sell, launch or promote your products or services to people who want to buy. Whatever your reason, if you've never exhibited at a trade event before or you were too late to secure a stand at other local trade fairs, this event's definitely for you.

On the Suffolk/Essex border, the superb **Stoke by Nayland Hotel, Golf and Spa** is the ideal starting point for your company to expand across two counties, both in terms of business and new suppliers.

There are still some exhibitor spaces left, but book quickly to avoid disappointment.

With over 50 Exhibitors, 12 Guest Speakers and visitors drawn from across this region, this networking event will be a stimulating and productive day. Make sure you're there too! **BOOK NOW!**
